WHY CHOOSE US?

Great sourcing takes more than finding the right manufacturer; it takes a partner who understands how your product needs to perform and knows how to make it happen. Sadin Sourcing Group works closely with factories to turn requirements into reliable production, giving brands the confidence that what is planned is what gets delivered.

SUSTAINABILITY

“

Sustainability begins long before a product reaches the market as we work with responsible factories and lower-impact materials, while encouraging more efficient use of resources throughout the production process.

”

COMPLIANCE

“

Responsible sourcing starts with doing things right at the source that is why compliance is our non-negotiable foundation. Sadin Sourcing Group maintains close oversight of every manufacturing partner, with regular checks on workplace safety, labour practices, and environmental standards to ensure the right conditions are maintained throughout production.

”

AFFILIATED FACTORIES
